Cover: Over the past 56 years Washington County has more than tripled in size. As each community grew, we continued to maintain that friendly small town atmosphere. The view from historic Holy Hill includes our gentle rolling landscape which was carved by glaciers. Inland lakes and woodlands complement our wide variety of recreational activities. Hiking, hunting, boating, fishing, golfing, skiing, and snowmobiling are among the many outdoor activities for sport enthusiasts. While trails abound with wild flowers and wildlife we also boast a variety of family attractions.

Washington County Fair July 21-26, 2020

In small towns across America, County Fairs are usually the highlight of the summer. In Wisconsin, there's no event quite like a county fair. As a matter of fact, the Washington County Fair is the 3rd largest fair in the state and is the single largest event in the county. But county fairs aren't just for rural farmers—and they've got a lot more to offer than carnival rides and rooster crowing contests. We offer Early Bird ticket prices, free parking and carnival specials to make this an affordable outing for the entire family. You can spend the entire day walking our 133 acres of beautifully landscaped grounds, enjoy exhibits from local 4-H youth, sample food from a myriad of vendors or take a ride on the ever-popular Ferris wheel. We also feature three nights of national recording artist entertainment which can be viewed from our state-of-the-art Silver Lining Amphitheater with a general admission fair ticket. Reserved seating is also available through our website. Pick a day, maybe two and start planning for the annual Washington County Fair.
